O R D E R:

In the G.Os 2nd read above, the water drawl permission was accorded to the firm "M/s Reliance Industries Limited, Gadimoga (V), Tallarevu Mandal for drawl of 2080 KLD i.e., 0.85 cusecs of water from CIP Canal, Tallarevu for Industrial use, for a period of 20 years subject to certain terms & conditions which was expired on 31.12.2024.

2. In the letter 4th read above, the Engineer-in-Chief (Irrigation), Vijayawada has recommended the proposal to Government to issue necessary orders for according renewal permission to "M/s Reliance Industries Limited, Gadimoga (V), Tallarevu Mandal for drawl of 2080 KLD i.e., 0.85 cusecs of water from CIP Canal, Tallarevu for Industrial purpose for a further period of **5** years from 01.01. 2025 to 31.12.2029, subject to the following terms and conditions:

1. The water can be spared subject to the availability of water in the CIP Canal, Tallarevu.
2. The water drawn from the CIP Canal, Tallarevu should be utilized for the purpose for which the permission is granted. Any misuse on this account shall entail cancellation for the permission without any notice and liable for imposition of penalty.
3. The industry shall pay one-year water charges as advance and any amount due to the Department before entering into agreement.
4. Under any circumstances, the consumptive utilization should not exceed the quantum of water allotted by the Government.
5. Digital Water Meters or suitable measuring devices should be installed at Pump house by the industry at their own cost to measure the water consumed and should be made available to the Department authorities and the representatives of the user shall be present at all time of inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the Department.
6. The industry shall pay security deposit at 5% on water charges for the period permission is granted.
7. The industry should pay water royalty charges as per Government Memo No.2772, dt.30.09.2015 at the rate of Rs.5.50/- per 1000 gallons or at the revised rates fixed by the Government from time to time. In case of failure to pay water Charges/Royalty, the permissions to draw water shall stands cancelled.
8. The industry should make its own arrangements for sufficient storage of water during non supply period in their premises at their own cost.

9. The Water Resources Department is no way responsible for non- supply of water due to any reasons.
10. The entire cost of construction, maintenance of intake well, pump house, pipelines, excavation etc., should be borne by the industry only.
11. The industry must strengthen the margin of CIP Canal, Tallarevu on either side of the proposed pump house/ off take point to avoid erosion of bank and to protect the existing canal margins as directed by the Department.
12. The Department is no way responsible for any damages that may occur to the off-take point and pump house due to floods or on an account of any other reasons.
13. The Department is not responsible for any dispute that arises with neighboring industries and public and any legal matters.
14. The firm should not create any objection for the Improvements/ Modernization works to the said canal in future and they have to relocate the pump / off take point if necessary, with their own cost.
15. The industry shall abide to any conditions laid down by the Government/ Department from time to time.
16. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
17. The annual requirement of Water can be spared from CIP Canal, Tallarevu. No more drawl shall be permitted, priority shall be given to Drinking water & Irrigation, when the canal receives lean flows.
18. The point of drawl should be fixed by the Water Resources Department.
19. The firm has to produce the relevant records for Department verification at the end of each quarter periodically.
20. The industry shall obtain the prior concurrence from concerned Departments for laying pipelines and for crossing etc., if required wherever necessary.
21. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government the lease amount should be paid as fixed by Government only.
22. The industry should make their own arrangements to dispose the treated effluents as per norms of A.P Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural sources. Necessary clearance from the A.P Pollution Control Board is to be obtained in this regard by the firm before drawl of water from the source.
23. The industry must acquire the private land for installation of pumping Arrangements. If the industry proposes to utilize Government land for installation of pump house, necessary permissions is to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the industry.
24. The industry has to construct CC walls to avoid leakage at pipeline crossing at their own cost.
25. The industry should follow the Revenue Board Standing Orders.
26. The industry has to conclude agreement with the officers concerned of Water Resources Department.
27. The industry has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e. before 10th April every year as per BSO.
28. The proposed drawl for this plant should not affect lower riparian rights (LRR) and Upper riparian rights (URR) in any manner.
29. The permission does not confer any riparian right to the industry.
30. A Detailed plan showing the location of intake arrangements, Pump House, alignment of Pipe Line and conveyance system should be furnished to the Water Resources Department for approval.
31. The concerned Executive Engineer will be responsible for enforcing the conditions.
32. Permission is valid for 5 years from the date of approval. The agency has to apply for renewal, if necessary before expiry of permission.
33. Non-Adherence to any of the above conditions by the industry will entail cancellation of the permission.

3. Government, after careful examination of the matter, hereby accord renewal of permission to M/s Reliance Industries Limited, Gadimoga (V), Tallarevu Mandal for drawl of 2080 KLD i.e., 0.85 cusecs of water from CIP Canal, Tallarevu for a further period of Five (05) years from 01.01. 2025 to 31.12.2029 for Industrial purpose**,** subject to the terms and conditions as mentioned at para-2 above.

4. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, Godavari Delta System, Dowlaiswaram and the Collector & District Magistrate of East Godavari District, shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
